

# REVITALIZE YOUR FLOORS

Where Clean Meets Safety and Beauty

## POLISHING FLOORS AND PERCEPTIONS

From hospitals to offices, you notice the floor everywhere you go. Imagine walking into a business and the floors are so shiny that you can see your reflection. That's what we do at Total Maintenance Services. We make sure your floors not only look great but also withstand heavy foot traffic, so your team can work safely and comfortably.

*"My floors never looked better, the staff has been amazing, and the level of professionalism I received has exceeded what I got in the past from other companies. I look forward to continuing business with them as I expand."*

– JOLIE K., ★★★★★ REVIEWER

## BRINGING BRILLIANCE FROM BELOW

### Stripping and Waxing

We carefully remove old layers of wax and ingrained dirt and apply a new coat to restore the lustrous appearance of hard surfaces.

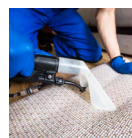

### Buffing and Polishing

Utilizing specialized equipment, we renew the surface of your floors for a lasting shine.

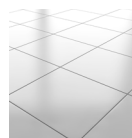

### Machine Scrubbing

Our meticulous process goes beyond surface cleaning, eliminating deeply ingrained dirt and imperfections.

### Carpet Cleaning and Spot Removal

Expert techniques applied to remove even the most stubborn stains, ensuring a clean, uniform appearance.

### Grout Cleaning

We tackle often-overlooked details to restore the cleanliness and uniformity of grout lines.
