

Your Total Facility Provider

BUILDING SERVICES

Janitorial

Keep every inch of your building spotless with expert services to guide you.

Floor Care

From reliable vacuuming to deep carpet and hard floor cleaning, we will keep your floors spotless.

Day Porter

We ensure both janitorial and daily-use supplies are always stocked and ready for your team.

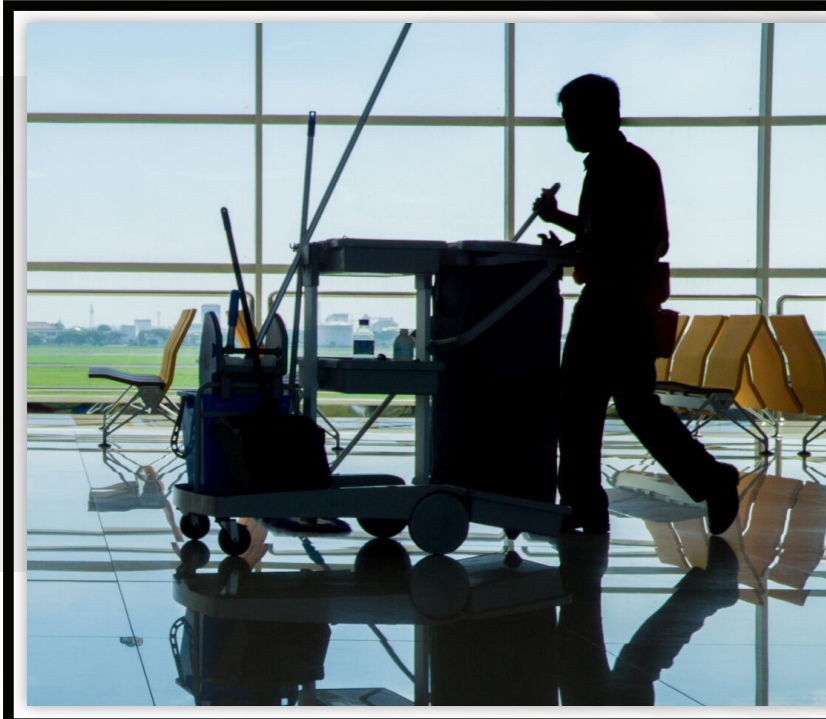

Disinfecting

We keep employees, customers, and visitors safe from harmful pathogens on high-touch surfaces.

Specialty Cleaning

We offer industry and project specific cleaning like: Lab cleaning, post construction cleaning, electrostatic spraying, etc.

WHAT WE PROVIDE

For over 15 years, Total Maintenance Services has provided comprehensive commercial cleaning solutions that our partners can rely on to keep their workspaces safe, healthy, and attractive. We have the janitorial expertise to know what your facility needs and how to make it look it's best. We are a facility partner and resource that emphasizes clear communication with our clients to resolve all concerns rapidly. Lastly, we are focused on quality control and supervision .

My floors never looked better, the staff has been amazing, and the level of professionalism I received has exceeded what I got in the past from other companies. I look forward to continuing business with them as I expand.

Jolie K.

PROVIDING A SAFE AND HEALTHY WORK ENVIRONMENT FOR YOU AND YOUR STAFF

IS OUR PRIORITY
